

Bryan-Michael Cox, Grammy Award Winning Producer, Celebrates Birthday with Tyrone Davis and Ocean's Seven

SESAC will help bring out today's top entertainers and industry executives to take over Atlanta on behalf of Bryan Michael Cox

FOR IMMEDIATE RELEASE

Atlanta, GA, December 7, 2009 - The seven-time, Grammy Award winning producer, Bryan-Michael Cox, will celebrate his 32nd birthday at the W Hotel on December 8, 2009. The event will celebrate Cox's lifetime achievements as well his success during the course of his career. Bryan-Michael Cox will be joined by Tyrone Davis, fellow Ocean's Seven member along with close family, friends, industry execs, and entertainers that he has worked with throughout the years.

The Red Carpet Birthday Celebration will take place at the W Hotel, which overlooks the city. From 10 PM till 2 AM, guests will enjoy music from Celebrity DJ Mars and gather to pay homage to one of the industry's hardest working and most talented producers.

During his career, Cox has penned hits for Usher, Monica, Mary J. Blige, Mariah Carey, Chris Brown, Aion Clarke, and countless others. He is also known for being a member of Ocean's Seven, a group including Cox, Jermaine Dupri, Trey Songz, Nelly, Johnta Austin, Usher and Tyrone Davis, which was a movement created in Las Vegas while working on Usher's forthcoming CD. Excerpts from the group's escapades can be seen on Jermaine Dupri's YouTube reality series, "Living the Life".

Currently Bryan-Michael Cox has just completed work on Usher's new CD, Monica's forthcoming CD and has just received a Grammy nod for work on Trey Songz *Ready* CD.

Bryan-Michael Cox is excited to be celebrating his birthday with the W Hotel in his hometown of Atlanta, GA with celebrity friends and family. "It's going to be incredible to celebrate this night with my fellow Ocean Seven members. Especially Tyrone Davis and Trey Songz who also has birthday's this week. But more importantly, I can't wait until 2010 to put out some good music, it's all about the music!" exclaims Cox.
